ONE DUNWOODY PARK, SUITE 123, DUNWOODY, GA 30338

## **What are my other long-term care options?**

GEORGIA Medicaid WAIVER OFFERS ADULT DAY CARE. To get the phone number for your State Medical Assistance (Medicaid) Office, visit [Medicare.gov/contacts](https://www.Medicare.gov/contacts) or call 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048.

These types of services may also be available through the state of Georgia, like the Area Agency on Aging, Medicare, or hospice programs. For more information about Medicare's coverage of hospice and home health services, visit [Medicare.gov](https://www.Medicare.gov).

Community sources, like volunteer groups that help with things like shopping or transportation, which may be free or low cost (or may ask for a voluntary donation), are another option. Here are some examples of the services and programs that may be available in your community:

- Adult day services
- Adult day health care (which offers nursing and therapy)
- Care coordination and case management (including transition services to leave a nursing home)
- Home care (like cooking, cleaning, or help with other daily activities)
- Meal programs
- Senior centers
- Friendly visitor programs
- Help with shopping and transportation
- Help with legal questions, bill pay, and other financial matters

Programs of All inclusive Care for the Elderly (PACE): PACE is a type of Medicare and Medicaid Program offered in many states. PACE helps people who would otherwise need nursing home-level of care to stay in their community.

To qualify for PACE, you must meet these conditions:

- You're 55 or older.
- You live in the service area of a PACE organization.
- Your state certifies that you need a nursing home-level of care.
- At the time you join, you're able to live safely in the community with the help of PACE services.
